

### REMARKS/ARGUMENTS

The Amendment filed on August 11, 2010 was non-compliant with 37 CFR 41.37 because it did not provide a complete listing of all of the claims. In particular, claim 19 was missing. Accordingly, a complete listing is provided above which lists claim 19 as being canceled. In fact, this was stated on page 5 of the above-mentioned Amendment.

The Examiner's consideration of all the arguments presented in the above-mentioned Amendment is respectfully solicited.

Respectfully submitted,  
COHEN PONTANI LIEBERMAN & PAVANE LLP
